PRACTICE AREAS

Chartered Quantity Surveyor and FIDIC Presidents List of Approved Dispute Adjudicator. Over 40 years' experience in the construction industry including major engineering and building projects in the UK, Europe, US, Central America, Asia, Africa, and Australia. Major dams, pumped storage hydro-electric, LNG plants, metro projects, offshore wind, ship-locks, water treatment, highways, rail infrastructure and as well as large-scale commercial, hospitality and medical projects. Experienced in management of dispute resolution and commercial management on major projects, through party-to-party representations and negotiations, arbitration, dispute boards, adjudication, and other ADR techniques as well as litigation support.

Specifically experienced in dispute board proceedings on international projects having acted as party representative on submissions and at hearings on major civil engineering projects in South Africa, Panama, Republic of Georgia, Kazakhstan and Denmark as well as numerous UK statutory adjudications. Included on the FIDIC President's List of Approved Dispute Adjudicators [\[link\]](#) and UK Adjudicators panel of Dispute Board Members.
